The NEO is a circular shuttle service for the Near Eastside community. It begins at the John H Boner Community Center, and heads north on Jefferson Avenue. Service hours are Monday through Saturday from 5:00 AM to 9:00 AM and from 5:00 PM to 9:00 PM. It completes the route in one hour.

The NEO provides a shuttle transportation service for residents of the Near Eastside community filling in the gaps of the current Indygo service as a way for residents to have access to not only the downtown loop, but to connect them to jobs, shopping, and recreation destinations in the neighborhood.

\$1 per ride
 \$30 for a monthly pass
